

Vision Statements

DEVELOPED WITH THE PPG

Newton Place Surgery Partners and Staff Responsibilities:

- Our first priority will be to offer services for the benefit of individuals, their families and carers
- We will treat you in a confidential and respectful manner
- We will offer you high quality, holistic care in an approachable caring environment
- We will provide a timely, flexible and accessible appointment system

Patient Responsibilities:

- I will cancel appointments if I cannot attend so that another patient may take my slot
- I will take responsibility for ordering repeat prescriptions with reasonable notice of at least two days
- I will treat all staff and my fellow patients with respect
- I will be realistic in my expectations

VALUES STATEMENT

Person centred & Quality focused

Approachable & Caring

Timely & Coordinated

Inclusive & Respectful

Easily accessible

Non-judgemental & Confidential

To benefit individuals & families in the local community
